In all conferences we will have at least one meeting with the co-ordinators and teachers on the following: the contents of the project, the next conference and any urgent matters that need to be discussed.

NOTICE:

Time for the German student conference has been changed

Theme in Spain : Water in Art. Preparation of the students for the conference: How has water inspired Art in different countries. (15 min) In Spain workshops: create a piece of Art connected to water

2. **Spain will take care of the web-page for the project:**

Webmaster in Spain: Fernando Lopez

address: flacosta34@gmail.com

the web page: wateressencelife.ning.com

3. **We decided on some improvements when planning the programme:**

-the number of students participating in the visits: 5-7 students.

- 1 hour should be reserved in the programme to test the technical side of the presentations that everything functions well

-“Greetings from different countries” in the programme means the time when we can give the presentsto the host country.

-The address and contact information of the hosts should be sent to the other countries well in advance. The students should be encouraged to be in active contact with each other before the visit.

-When the visit starts the hosts should show the visitors on the map where they live and explain in detail the transportation connection.

-During the visit from Day 1 the groups should be formed on the idea of mixing the nationalities.

-Each visit should contain at least one meeting for the co-ordinators and teachers.

-after the visit in two weeks' time each school should put the visit information in the web page.
